

Teague Family Missions

December 2023

We are so grateful for what God has done through our ministry in 2023 and for your ongoing support as we approach our 20th anniversary with Assemblies of God World Missions.

Training

Our burden for education continues as we teach students online and in person. This year, over 160 French-speaking students met either online or through the **European Bible College** of Global University in Paris, the **Daloa Bible Institute**, or the **West African Advanced School of Theology** extension center in Daloa. Also, Tim teaches online through collaboration with the **North Texas School of Ministry**. We are now training French-speaking ministers in Colorado, Georgia, Minnesota, and Texas!

Reaching

We traveled across the country preaching, evangelizing, and teaching. Tim also interviewed church pioneers to help write the history of the Assembly of God church in Côte d'Ivoire.

Teague Family Missions

This summer, we drove the new coastal road from Abidjan to Tabou, Côte d'Ivoire, where Tim's family & the American Mission started their work over 50 years ago.

It was a joy for Tim to make it back to Tabou where he lived as a young boy.

Tim interviewed pioneer Pastor Robert Samuel, Mme. Thérèse and their family.

Tim preached a 5-day revival meeting in Toumodi with 25 churches participating.

Planting

We built **5 tabernacles** in Côte d'Ivoire with North Texas church teams. These will house three schools and two churches in central Côte d'Ivoire.

A special thanks to **Faith (Carthage) & First Assembly of God (Lavon), & Iglesia Vida y Luz a las Naciones (Garland)**. We also partnered with the Ademir & Xiomara López family from the **El Salvador Mission**.

In October, Tim led a team from **First Assembly of God in Mansfield, MO** to build 7 **tabernacles**. This is Mansfield's fifth outreach in Côte d'Ivoire and their 25th structure, including the completion of a dorm on the Bible Institute campus in Daloa! We want to especially thank **Pastor Jerry Orf II** and his entire church for their amazing support and commitment to the harvest in Africa!

Serving

We helped establish an **ESL center in Southlake, TX** with Pastor Ricky Franklin & Pastor Satterfield in Garland, TX. We want to thank missionary Steve Woodward for his support and training as we launch ESL centers in North Texas. And special thanks to Jon and Maria Franklin and all the SAGU students for their efforts to launch the first center!

Family

Lillian is in her Senior year in high school and loves playing in the band. Luke is in his second year at Navarro College and plays in the jazz and marching bands while studying engineering. Sarah is teaching high school English in Waxahachie, TX. Luke and Sarah are both leaders in our local church.
