December 2024

Rev. Tim & Kristy Teague ~ P.O. Box 534, Waxahachie, TX 75168 ~ AGWM Account # 264485 ~ (469) 843-9369

We are grateful for what God has done in 2024 and your ongoing prayer support and financial giving. *“And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.”* (Phil 1:6) God has been faithful and we know the Holy Spirit has empowered us to reach people with the Gospel of Jesus Christ and to equip Christian communities.

Training and Reaching: Paris-Cergy, France – June 2024

We currently train over 200 students through the international French-speaking office (Institut de Formation au Ministère-IFM) of Global University. We celebrated our first **undergraduate graduation** at the ministry center in Cergy, France.

Group: Bailey Kuert, Kristy Teague, & students from 9 nations!

Toumodi, Cote d'Ivoire – April 2024

Tim taught Missions Strategies to student pastors at the **Bible Institute** in Toumodi (top left). He also evangelized in a village, Koffikro, with his students resulting in over 100 decisions for Christ and a new church plant. This is the first evangelism in Koffikro! Four Bible Institutes in Cote d'Ivoire train over 1000 pastors annually.

Abidjan, Côte d'Ivoire - October 2024

Tim preached at **Bethel Missionary Temple Assembly of God** and presented Sylvain Larcher with his diploma from GU. Sylvain serves as a deacon and the Christian Education Director of our church plant, Bethel AG, in Abidjan, Côte d'Ivoire. Sylvain started his training with Tim in France and has completed it while serving in Africa. This was a highlight for our ministry as we equip and train ministers to lead churches within walking distance of every person in Africa. Over 200 people have been saved, discipled, and baptized at Bethel AG!

We urgently need \$20,000 for the construction of a two-story tabernacle!!

Cote d'Ivoire, France, and Texas - January to November 2024

The **North Texas School of Ministry** French office meets at **New Day Church in Southlake, TX**. Five of our students have finished their first level of training and will soon apply for ministerial credentials. This center also provides ESL training for emerging communities in Texas.

We have established two more **local church training centers** in **Abidjan Cote d'Ivoire**, and **Cergy, France**. These two centers train over 100 church leaders from 10 churches. We have established 11 centers that train nearly 1000 students in Africa, Europe, and North America.

We hosted **First Assembly of God Mansfield, Missouri**, to evangelize and build five tabernacles in Cote d'Ivoire—thanks also to missionaries **Brent Teague** and **Kevin Thompson** and our team in the country. **Pastor Jerry Orf II** and his teams have financed and built over 30 churches and buildings!
